Meredith does an excellent job of incorporating each student into classroom discussions. Is very fair and thorough (sp?) when teaching new subject matter. Would absolutely recommend her to any of my friends for beginning french. maybe homework could have been checked for a grade to help boost overall grade in class. She made the oral presentations very comfortable and non-stressful.

Thank you for your participation!

1) your repetition & clarification of grammar and vocabulary were very helpful. If students didn't understand you were very understanding and didn't mind at all to clarify... which is what teaching is all about! Everyday you were happy to be here which made it much easier to come to class everyday

2) I cannot think of ONE thing to improve upon! C'est magnifique!

I absolutely love this class. I'm very sad to see Madame leave for Spring Quarter. I have taken quite a bit of French in the past but I started over to work on pronunciation and revisit subjects I didn't quite understand, and this class has definitely helped improve my French.

Thank you for your participation!

Especially good, with foreign language its important to be exposed to true accents, thats why I really liked having movie day. It helped us hear in context how french sounds & the pronunciation.

If the class could be longer, it would be better.

*I enjoyed this class, the instruction was also entertaining and informative. In 50 min there was enough time for a lecture and practice speaking, without feeling rushed. If I didn't understand a concept, she could always explain it so I did.*

① The classroom atmosphere was very nice. Class ~~was~~ was fun but we also were able to learn a lot. I loved the Thursday video day!

It was much needed, and we watched some really excellent French films.

② I wouldn't change much. The oral ending was a little difficult but it was manageable.

③ Congrats on the baby!!
